Headteacher comment

Dear parents,

What a wonderful day we had yesterday celebrating **World Book Day**. Thank you so much for helping to get the children ready with all their amazing costumes – they all looked fantastic! During the day we had a book day parade, shared in lots of reading activities, read to each other, KS2 joined a live World Book Day lesson and we promoted the love of reading. Thanks also for the donations of pre-loved books – every child was able to go and choose a book to take home with them at the end of the day. Happy reading!

I would also like to put on record today a massive thank you to Asecca, a local business owned by one of our Reception parents, who have kindly donated over 40 refurbished i-pads for use across the school. The i-pads are now established on our system and will make a massive difference in the availability of devices for curriculum work. Thank you so much – it means a lot to receive support like this.

Finally, a reminder we are now entering British Science week – please see Mrs Gregory's letter for activities planned.

Have a good weekend,

Mr Bowden

Thank you to those parents who are dropping off and collecting from BASC for not using the school car park. It has been far less crowded and feels safer.

However, please ensure you are aware when dropping children off on the roadside that you are aware of the other traffic using the roads. The bin collection team came in this morning concerned that there had been a near miss with a child who was being dropped off for BASC. Thank you!

We are all just trying our best to keep everyone safe.
